**COLLINS BUS CORPORATION ENTERS CANADA
WITH NEW CORBEIL BUS LINE**

Collins Bus Corporation announced today they will be offering a full line of school bus products to the Canadian market early this year.

This new Corbeil product line will include the series of Quantum single and dual rear wheel buses including the Quantum, Super Quantum, Grand Quantum and the MFSAB—Multi-Function School Activity Bus.

Corbeil sales in Canada will be directed by Yves Lepine, Chief Operating Officer for Collins Canada, Inc. Collins Canada will also support and service all current Corbeil buses in the field.

"As the largest manufacturer of Type-A buses in North America, we are excited to now offer our products to the Canadian market. We are in the process of developing a Canadian dealer network that will enable us to offer the Corbeil product line from coast to coast in Canada," stated Kent Tyler, president of Collins Bus Corporation.

Collins Bus Corporation, a subsidiary of Collins Industries, Inc., markets three brands of Type-A buses throughout North America (Collins, Mid Bus, and Corbeil). They have the largest distribution network of any Type-A bus company with over 70 dealers in the United States and Canada.
